

SIMPLE STROLLER QUILT

Make a quilt using a design of your liking. I used a simple square patch pattern. Each of my squares were 2.5 inches square. I used 11 squares across and 17 squares down ($11 \times 2.5 = 27.5$ ", $17 \times 2.5 = 42.5$ ").

I added two 2.5" x 27.5" strips, one on the top and one on the bottom.

My finished quilt top measured 27.5" x 45".

Quilt and bind* or bind and quilt however you go about finishing. Everyone has their own little preferences.

*See directions below for additions binding.
